SHRI LA GANESAN
Governor of Manipur
Raj Bhavan, Imphal

It is, indeed, gratifying to learn that the Sainik School, Imphal is bringing out a "Coffee Table Book" as a part of its Golden Jubilee Celebration on 7th October, 2021.

I am quite impressed to know that the Sainik School, Imphal has earned the proud distinction of an educational centre par excellence and it has certainly raised the bar of the quality of education not only in the State of Manipur but also in the whole of North East. The school has over the years successfully nurtured many cadets who have become outstanding officers in the Army, Navy and Air Force. Besides these, many of them again have excelled in other fields and are leading successful lives. Its contribution to the society on the whole is immense. I am confident that Sainik School, Imphal will continue to follow the path of success and gain greater heights with undivided dedication in future also.

I wish the publication of "Coffee Table Book" a grand success.

(LA GANESAN)

MESSAGE

SHRI N BIREN SINGH
Chief Minister
Manipur

I am pleased to learn that Sainik School, Imphal is bringing out a Coffee Table Book to commemorate its Golden Jubilee Celebration on 7th October, 2021.

Sainik School, Imphal is one of the prestigious schools in the State. The school has been shaping young minds into disciplined, educated and responsible citizen. The school, through its multifarious training programmes, develops all-round personality of its cadets.

I wish the school may reach the zenith of success in every field and maintain excellent record throughout.

I convey my best wishes to all the students of Sainik School for their bright future.

(N BIREN SINGH)

MESSAGE

SHRI S RAJEN SINGH
Minister
Education, Fisheries, CADA
Manipur

I am glad to learn that Sainik School, Imphal is celebrating its Golden Jubilee in October, 2021.

Sainik School, Imphal has transformed over time and its contribution towards excellence in education and all-round personality development of the cadets is creditable. Since the establishment of the school, Sainik School, Imphal has excelled in various fields by making outstanding achievements in NDA, CBSE, sports and other co-curricular activities.

I firmly believe that Sainik School, Imphal will continue its yeoman service to the state of Manipur as well as to the country with its good education system. I convey my warm greetings and best wishes to the principal, Editorial team, staff and cadets on the auspicious occasion of its Golden Jubilee Celebration, 2021.

I also wish Sainik School, Imphal all the very best and grand success ahead.

(S RAJEN SINGH)

SHRI LETPAO HAOKIP
Minister
YAS & Water Resources
Manipur

It makes me extremely glad to know that Sainik School Imphal is bringing out its Coffee Table Book for completing fifty years of service on the occasion of Golden Jubilee Celebration.

Since its inception, Sainik School Imphal has been motivating and inspiring the young boys of the state to join the Armed forces as Officers. The students of the school are honed with a military aptitude for all round development. With its unique schedule of training, the students of the school have achieved high echelons not only in the Armed Forces but also in coveted walks of life with some in the helm of affairs.

On the occasion of the school's Golden jubilee Celebration, I wish the Principal and the team of dedicated staff grow from strength to strength.

7/8/21

MESSAGE

SHRI SATISH SINGH
Joint Secretary (BRO/CeR) &
Honorary Secretary,
Sainik Schools Society, MoD

1. *It is heartening to know that having completed fifty glorious years of yeoman service to the nation, Sainik School Imphal is celebrating its Golden jubilee in 2021.*
2. *The journey of struggle and growth of the school has not only produced more than 300 cadets for armed forces but also 3600 plus alumni who have passed through its portals and are excelling in various walks of life and bringing laurels to the school as well as to the nation.*
3. *I am certain that the School will continue to perform its stellar role with dedication and commitment. I am also confident that the school, with its infrastructure augmentation plan and modernization of its training methodology, will continue to impart quality education to its cadets.*
4. *On this occasion, I exhort Team Sainik School Imphal to set even higher goals for themselves and strive to achieve it.*
5. *I convey my felicitation to the editorial team for their creative excellence in bringing out the glorious journey of the school in a befitting manner.*

SHRI M HAREKRISHNA, IAS
Commissioner cum Secretary
Government of Manipur

I am delighted to know that Sainik School, Imphal is bringing out its Coffee Table Book to mark the Golden Jubilee to be celebrated in October 2021.

Sainik School Imphal has been dedicating to the task of nation building by producing many Defence Service Officers for fifty years which is a significant achievement. The school has carved a niche for itself with its unsurpassed endeavour of nation building. The school's efforts towards pursuit of all-round excellence are praiseworthy. I congratulate the Principal and his dedicated team for the achievements the school has made and for making it a pride of the region.

I convey my best wishes to the Principal, alumni, staff and cadets in their endeavour to scale greater heights and wish its Golden Jubilee Celebration a grand success.

MAJ GEN NAVIN SACHDEVA, SM
GOC HQs 57 Mtn Div
& Chairman LBA, SSI

I am delighted to know that Sainik School, Imphal is bringing out its Coffee Table Book to mark the Golden Jubilee to be celebrated in October 2021.

Completion of historic fifty years as an institution is a significant milestone. The school has occupied a coveted place in the country with its invaluable service to the nation by producing many Defence Officers and alumni who have excelled in various reputed fields. Historical records of the cadets' performance in NDA, NTSE, Science Seminars of International level, academics, co-curricular, sports, etc. are laudable. The school's wholesome efforts towards pursuit of all-round excellence are noteworthy. I congratulate the Principal and his team for the achievements the school has made in this long period of fifty years.

I convey my best wishes to the Principal, alumni, staff and cadets as they strive to move ahead towards a glorious future and wish the 'Golden Jubilee' a grand success.

(MAJ GEN NAVIN SACHDEVA, SM)

BRIG PK SHARMA
Inspecting Officer
Sainik Schools Society
Ministry of Defence

1. *It gives me great pleasure to learn Sainik School Imphal is bringing out the Golden Jubilee edition of the school magazine.*
2. *Sainik School, Imphal is one of the leading schools that functions under the Sainik School Society. The school has a good track record of sending cadets to NDA and for producing good results in academics, sports and co-curricular activities. The ex-students of the school are doing very well not only in Armed Forces but also in other fields. The school's praiseworthy efforts were rewarded with the 'Defence Minister's Trophy' for the year 2010-11.*
3. *The golden Jubilee journal of the school follows the meaningful journey of the school for the past fifty years showcasing the development in the school and the dedicated approach of the School fraternity towards excellence.*
4. *I convey my heartiest congratulations to the entire Imphal fraternity, on this significant occasion. May all your efforts be rewarded with success.*

Jai Hind!

(BRIG PK SHARMA)

FORWARD BY PRINCIPAL

From an embryonic stage, with minimal infrastructure, the school has seasoned to the core and has grown into a mammoth organisation as it attains its 50th year of its existence on 07 Oct 2021. Wg Cdr TB Srivastava was the pioneering Principal of the school who in turn handed the baton of the helm of affairs to his successor and so forth till it reached its Golden Jubilee Year to its 17th Principal. All the way since its inception, it has been an uphill climb for the school with challenges galore such as lack of funding, socio-political constraints, security situation, remoteness of location etc. Nevertheless, each Principal under their able command has put on their best efforts and uplifted the school towards greater heights with a firm resolve to make it a pride for the North Eastern Region.

There is not an iota of doubt that academics is on the top of the agenda of the school. The school has also a firm believe that it is a portal to NDA for the cadets. To achieve that it strives hard to develop qualities of body, mind and character of the cadets and moulds them for all round personality development. It is not an exaggeration to mention that the school has produced many outstanding sportspersons both in the national as well as international arena.

It is a pride of the school that 10 girl cadets have also been inducted in class VI from the present academic session which is a first of its kind in its glorious history. The number of girl cadets will gradually increase in the years to come. The school administration is glad to have the privilege to guide and mould these girl cadets to become future officers of the Indian Armed Forces.

So far, the school has produced more than 300 defence service officers thereby making them patriotic and responsible citizens of the nation. The school has also produced many others in coveted walks of life with some in the helm of affairs. The school was also awarded Raksha Mantri Trophy in the year 2011 for sending maximum number cadets to the NDA. On this Golden Jubilee Year, it is a pride for the school to mention that 15 cadets have joined NDA. Arduous though its path is to tread, the school with its dynamic team has persistently moved forward and now we are witnessing it celebrating its Golden Jubilee year. The school administration endeavours that the school climbs lofty heights and become a trend setting and exemplary one in the entire country as it reaches its centenary year in the next fifty years.

SAINIK SCHOOL IMPHAL

MISSION STATEMENT

All round development of cadets through scientific and flexible training processes in the field of academics, sports & co-curricular activities with special emphasis on inculcating sense of discipline, spirit de corps, optimism, patriotism, high moral values, hard work and optimum use of available resources.

It is our endeavour to put our best efforts to educate, train and inspire all our cadets so that each one of them becomes responsible citizens of the country. We are committed to teach them the values of duty, honour and integrity of our nation through quality education in a suitable environment.

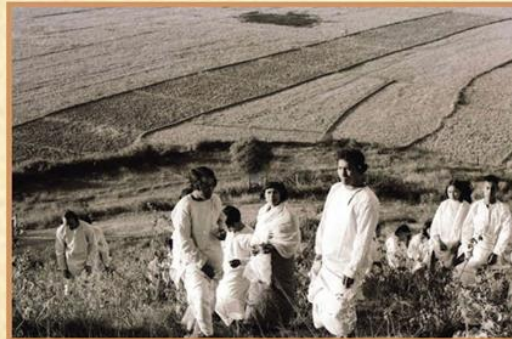

The goal of the school is to prepare the cadets academically, physically and mentally for entry into the National Defence Academy & good citizen of the country.

"MANIPUR - THE JEWEL OF INDIA"

Pandit Jawaharlal Nehru

Manipur is a state in northeastern India, it has been at the crossroads of Asian economic and cultural exchange for more than 2,500 years. The state covers an area of 22,327 square kilometers and has a population of about 3 million. It was made a Union Territory of India in 1956 and this tiny state in the North East of India became a full-fledged state on 21st January 1972. Manipur is famous for its glamorous landscape with gently undulating hills, emerald green valleys, blue lakes and dense forests. Known for its sheer tranquillity and soft breeze, this small state is unique in its own quality that sets it apart from other north eastern states of the country. There are different ethnic groups of people like Meiteis, Nagas, Kukis, Meitei-Pangal and other colourful communities living together for centuries with peace and harmony. The state is also called the powerhouse of sports of India because of its remarkable contributions in the field of sports besides being a home for many traditional games. Even in Tokyo Olympic 2020 Manipuri sports men have brought laurels to our country. The green

velvety mountains and natural views of Manipur impressed the then Governor General of India and he described the State as '**the Switzerland of the East.**'

Imphal is the capital city of Manipur. The city offers sites of religious and historical importance within and around the city. Kangla Palace is on the banks of the Imphal River and it has religious significance with multiple temples present within the complex. The city is divided between the two districts of Imphal West and Imphal East. Imphal is also home to the largest women market in Asia-Ima Keithel (Mothers' Market). The capital city is connected by the National Highways to all major cities of India. Bir Tikendrajit International Airport is 8 kilometers south of the city and has direct daily flights to major Indian cities. The extension work of the Jiribam-Silchar railway to Imphal is expected to reach the city in near future.

SAINIK SCHOOL IMPHAL - JOURNEY

INCEPTION OF SAINIK SCHOOLS IN INDIA: THE ARCHITECT

Immediately after India's independence, the country had to restructure its armed forces in order to avoid any traumatic situation in future. Thus, the birth of Sainik Schools was also one of the innovative ideas conceptualized in the 1960s.

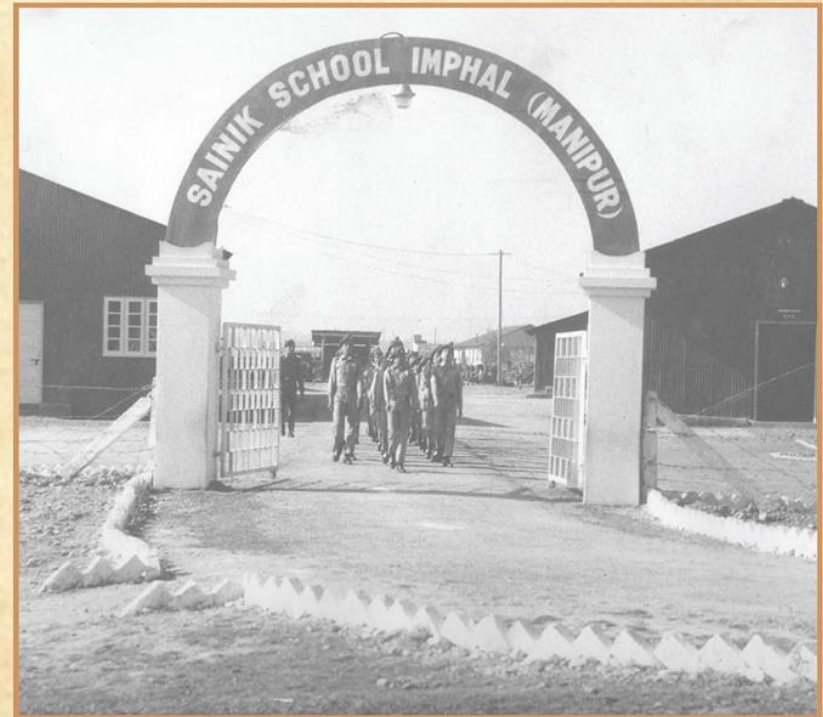

Shri Vengalil Krishna Kurup Krishna Menon was an Indian politician, non-career diplomat and nationalist, who initiated the idea of inception of Sainik Schools in the country and therefore is considered as the architect of such schools in the country.

Established to mould officers for the Indian Armed forces, Sainik Schools are basically a chain of schools managed by the Sainik Schools Society (SSS) under the supervision of the Ministry of Defence (MoD), Government of India. The main objective of Sainik Schools is to overcome the existing regional and class imbalance amongst the officer cadre of the Indian Armed Forces by moulding boys physically, mentally, academically for entry into the National Defence Academy. Announcement of inducting girl cadets in Sainik Schools was made by the Hon'ble Prime Minister Shri Narendra Modi in his recent address to the nation as part of his speech of 75th Independence Day of the country.

Golden Jubilee is looking back and looking forward: the spirit of the Jubilee is seen as an occasion of remembrance of the past events; the united efforts witnessed in the humble beginning of Sainik School Imphal, the vision of the officers and the staff from time to time, rejoicing the laurels brought by the cadets and re-dedication by looking forward to making Sainik School Imphal, *a centre of excellence*.

As every beginning has a story, so is the case with **Sainik School Imphal** too. It was initially started in the war sheds near **Bir Tikendrajit International Airport**, Imphal erstwhile Tulihal Airport on 07 Oct 1971 and Wg Cdr T B Srivastava was the **first Principal of Sainik School Imphal**. Initially the school faced the paucity of resources and constraints imposed by the geographical barriers in comparison to other opulent sainik schools in the country. The Principal led a spectacular team of staff and employees who put in their utmost efforts to bring up the school to greater heights despite various constraints. The combined efforts of the staff, the cadets, the parents and no doubt, the Government of India and the Government of Manipur enabled humble beginning.

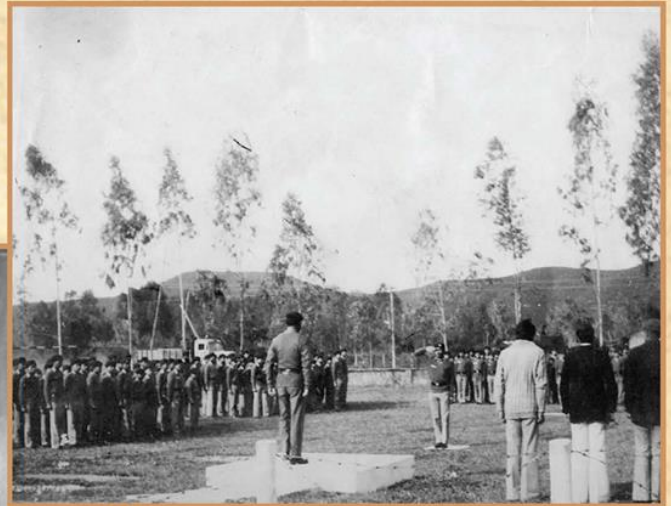

SAINIK SCHOOL IMPHAL - JOURNEY

The journey of struggles and growths continued; it shifted to its present location Pangei (Imphal- Pukhao road) on 5th March 1974; a beautiful place of high serenity and natural outlook. The team continued to work hard with positive affirmations and each individual staff contributed his/ her unique efforts to leap all the hurdles because they were sure 'once all struggle is grasped, miracles are possible.' Sainik School Imphal exhibits a live example of national integration as it used to admit students from different North Eastern states like Mizoram and Tripura. Earlier there were students from Nagaland and friendly neighbouring country Royal Bhutan. At present we have students from different parts of India as per the laid down quota and reservation policy in vogue. On date, 560 cadets are enrolled from class VI to XII as above.

SAINIK SCHOOL IMPHAL - JOURNEY

The school caters to the boys academically, physically and mentally with the primary aim of entry into the National Defence Academy to enable them to become officers in Indian Armed Forces and also in other coveted walks of life thereby making them responsible citizens of the society and the country at large. The Government of Manipur also is providing financial assistance for building, infrastructural developments, maintenance of all capital assets and scholarship to cadets from time to time.

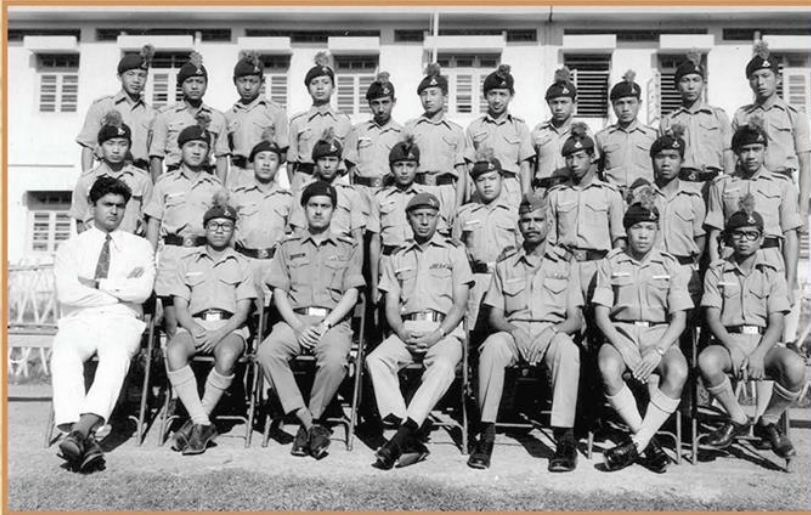

SAINIK SCHOOL IMPHAL - JOURNEY

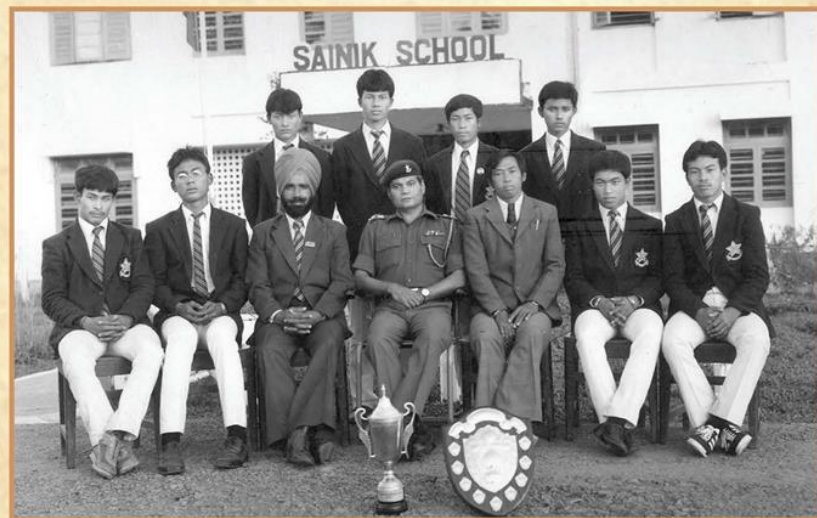

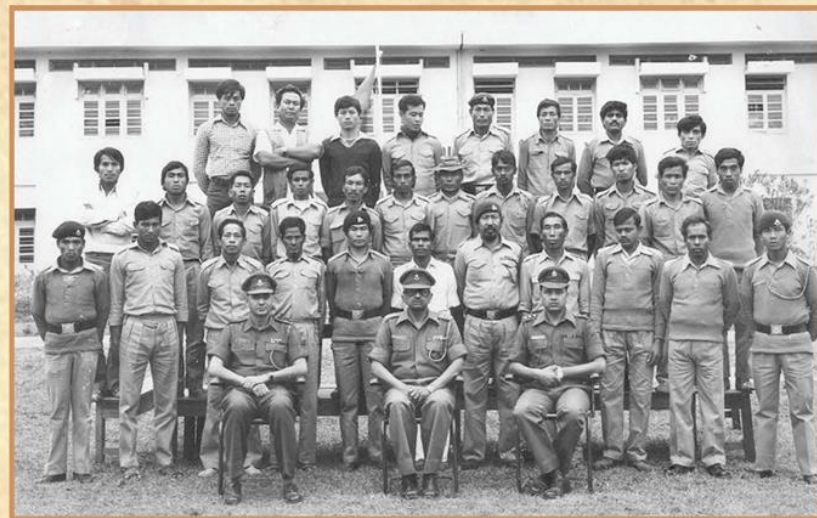

SAINIK SCHOOL IMPHAL - JOURNEY

SAINIK SCHOOL IMPHAL - JOURNEY

SAINIK SCHOOL IMPHAL - JOURNEY

SAINIK SCHOOL IMPHAL - JOURNEY

As the school shifted to its new set up at Pangei, in 1971 the staff and the cadets faced a lot of ordeals in different ways. The classes were held in the small rooms of the present Academic building. Besides the classes being conducted there, the cadets also stayed next to the classrooms. As there was no separate cadets' mess, an existing room was created as cadets' mess and some of the staff stayed in other small rooms. Inconvenience was very much common in those days.....the office, accommodation of both the cadets and the staff, class rooms, recreation hall, labs, etc. were also in the Academic block.

SAINIK SCHOOL
PANGEI
FOUNDATION STONE
LAID BY
SHRI D.K. KOHLI, GOVERNOR
MANIPUR ON 8.12.71

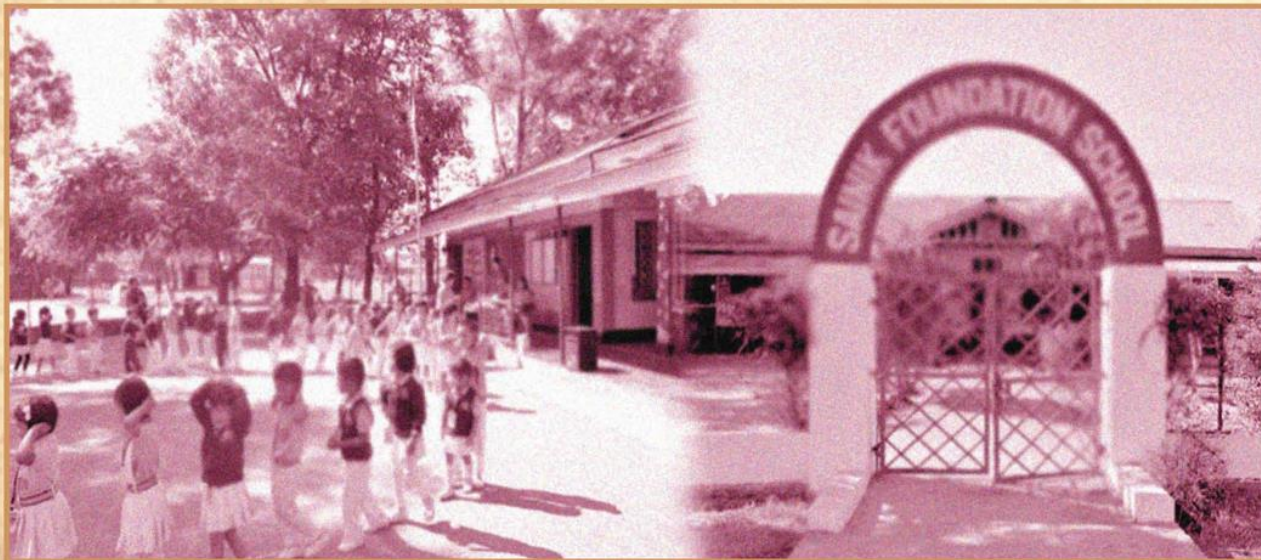

With the passage of time, the construction work of new hostels and staff quarters started one after another. In late 1970s, two hostels and some staff quarters were constructed giving a huge relief to the school. The staff including the General Employees fetched drinking water from the Heigrumakhong water reservoir. Establishment of new schools requires dynamic nature of the leadership structures and methods of operation to expand the infrastructure for several subsequent years. The officers posted in the school did not leave any stone unturned; it was their futuristic vision that had shaped the school in proper structural condition. The baton continues to be exchanged from officer to officer and introduced new and appropriate systems who kept on institutionalizing military ethos & rule.

SAINIK SCHOOL IMPHAL - JOURNEY

Challenges were endless; there was no proper transport and power facilities. The school, in fact, looked like a tiny house amidst a jungle. Practice of grass cutting was common in those days and there was no proper fencing. Initially, there was no decorous playground despite the fact that cadets of SSI are known for their skills in football. Gradually the football ground, basketball ground, volleyball ground, etc were created in phased manner.

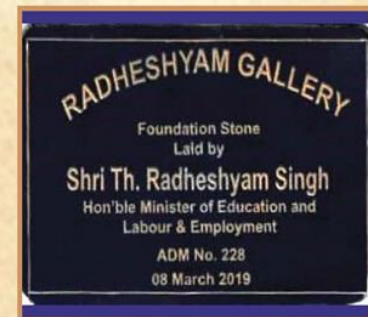

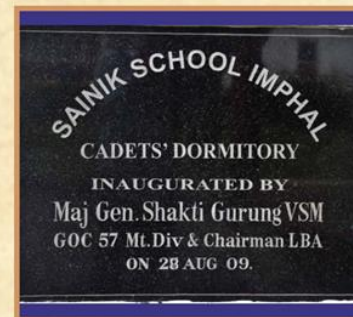

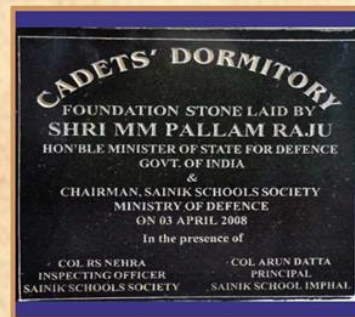

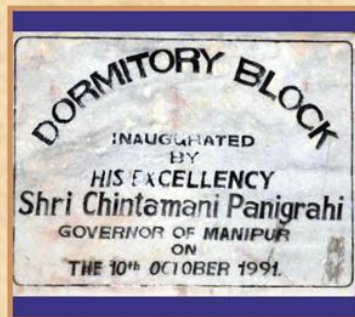

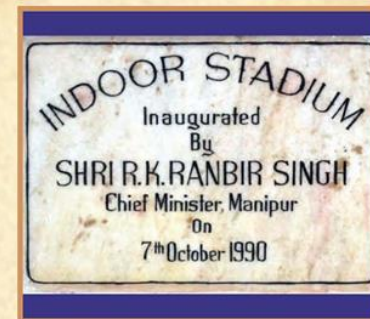

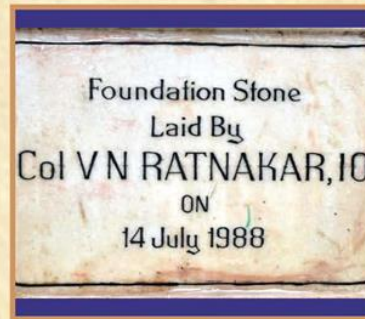

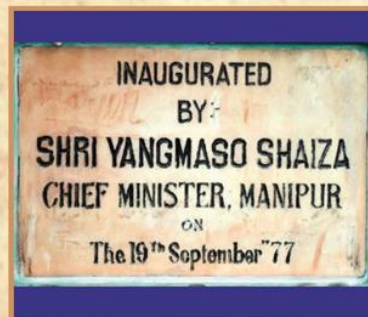

The construction of school Auditorium and a hostel took place in 1980s; it relieved the cadets' restriction in their movements and congestion in terms of accommodation in the campus.

The inception of Sainik Foundation School erstwhile 'The Orchid' was a new chapter in the history of Sainik School Imphal. Although it initially started imparting education to the children of staff, soon its service of imparting value education reached outside the school.

SAINIK SCHOOL IMPHAL - JOURNEY

The emergence of new hostel (Raman House), the foundation stone of which was laid by the then Defence Minister of State, Shri M M Pallam Raju in 2008 and its completion in the year itself, provided a good opportunity to our cadets in terms of accommodation. In 2008, the then Principal Group Capt Surinder Singh came up with his notable ideas of bringing 24×7 power supply in the campus and he could make it by pursuing the then Govt. of Manipur. As the years rolled by, development of infrastructure could be seen in various parts of the school. Lots of renovation works were carried out; mention may be made of extension of Cadets' Mess, Staff Room, Cycle Shed, playgrounds, wash rooms, etc.

“THE UNRIVALED INSTITUTE”- AT A GLANCE

The majestic school is a birth place of the virtues of life imbibed in the cadets It is not an “alma mater” but a “home” as sweetly remembered by the old boys. With its serene beauty the campus is enchanting to the parents and visitors alike.

INFRASTRUCTURE : ACADEMIC

In spite of its unpropitious geographical location in a small state, the school provides the futuristic support for all round development of the cadets. The school campus is adorned the academic block which has 17 classrooms, 4 practical labs, one multipurpose hall, and one art and craft room, a library which has more than 7000 books with 24x7 internet facility. There are five dormitories with a capacity of 100 beds each.

With the induction of girl cadets in class 6 from 2021-2022 sessions, a temporary girls' dormitory is constructed to house the first batch of 10 girls.

The school is getting constructed well-furnished state of art auditorium with a capacity of 600 seats.

The school campus with the vast area of 268 acres is provided with solar panel enabled street lights, and the school also has power backup with diesel generators.

TURNING POINT 2020-21 ONLINE CLASSES

In Mar 2020, a pandemic, namely Covid-19 hit across the globe and engulfed everyone in its darkness. For first time in its history, the school was totally shut down. As the pandemic kept on spreading, there was a need for finding new methodology of teaching without physically coming to school. Initially, the school administration was in quandary as the online medium was never utilised, nor infrastructure was available. But as the months progressed, the desire of staff of this school to ensure quality education rekindled.

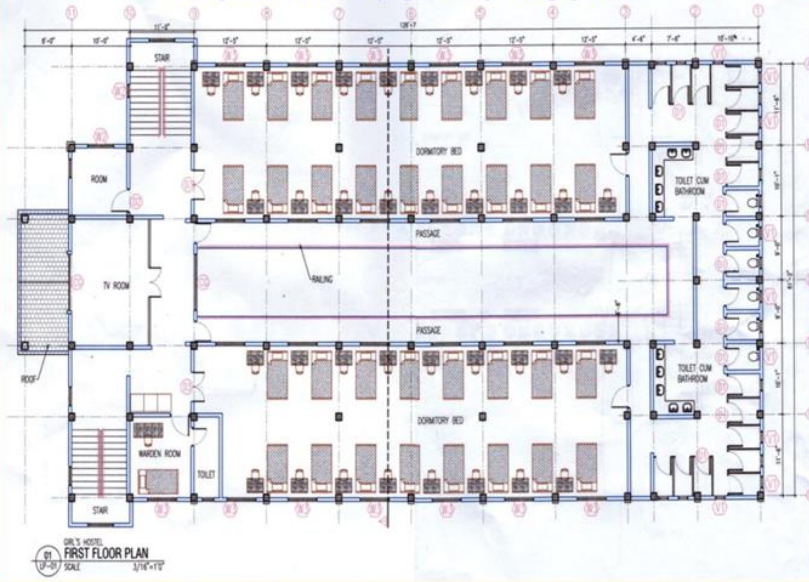

During the unprecedented times of lockdown due to Covid pandemic, in 2020 our academic staff ended by creating necessary infrastructure and appropriate pedagogical practices, with the Wifi installation on campus, they converted the empty classrooms into online learning hubs for our cadets, apart from utilizing most of technology for online teaching.

TURNING POINT 2020-21 INFRASTRUCTURE CHANGES

BLUE PRINT : GIRLS' HOSTEL

ONGOING CONSTRUCTION OF GIRLS' HOSTEL

With a new dawn, a new leaf is also being turned over, wherein girls will join in class 6th as boarders. To have proper infrastructure, the State Govt & school administration is working vigorously to make 'State of Art' girls' hostel.

For administration, the desire to ensure that quality life to be provided to cadets & staff is the ultimate goal. The pandemic was not an obstacle in this path. They worked tirelessly in period of pandemic. Their constant perusal and efforts ensured dawn of a new era in infrastructural upgradation.
